DESCRIPTION

The EASYENTRY R80/M80

A PVC card capable of printing images from industry standard dye sublimation printers. Size is 2.13" x 3.38" x 0.042" (54 mm x 86 mm x 0.8mm).
Sequentially numbered (C5 formatting excepted). Warranty

The EASYENTRY R80P/M90

The most popular proximity card in existence, it is thin enough to be "wallet-friendly" yet durable enough to carry a lifetime warranty.

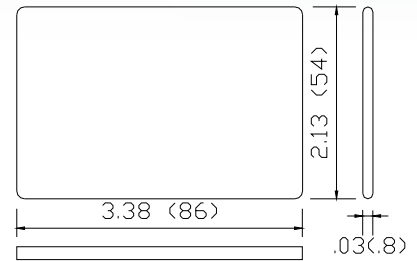

It comes standard with a vertical slot punch and can accept photos and graphics via industry standard adhesive packs (dye sublimation or laminated).

Size is 2.13" x 3.38" x 0.065" (54 mm x 86 mm x 1.7 mm).

Sequentially numbered (C5 formatting excepted).

Lifetime warranty.
